

Maurice Walters, AIA, LEED AP

professional experience

Maurice Walters Architect, Washington, DC

Founded architecture firm specializing in urban design and the design of residential and mixed use projects. Expertise in conceptual design and entitlement of large scale urban mixed use projects in and around Washington, DC. Over twenty years of experience in residential projects with a wide range of size, scale and typology in the United State and abroad.

Torti Gallas and Partners, Silver Spring, MD

Served as Principal Designer and Principal in Charge for many notable residential and mixed use projects. Proven leader in the creation of innovative housing typologies, with an ability to relate architecture to the economics of building and to the marketability of a design. Projects received both national and local awards, demonstrating skill in relating the building form within its community and leadership in the residential marketplace. Experience included design of a range of projects, such as multi-family housing, mixed use development, recreation and community facilities, urban design, and governmental facilities in the mid-Atlantic, Florida, California, and Turkey.

Selected projects include:

City Vista, Washington, DC

Park Place, Washington, DC

Kenyon Square, Washington, DC

Highland Park, Washington, DC

Jefferson at Thomas Circle, Washington, DC

The Residences at Alban Row, Washington, DC

The Village at NTC, San Diego, CA

The Ellington, Washington, DC

Centergate at Baldwin Park, Orlando, FL

Centergate at Celebration, Orlando, FL

The Kentlands Cottages, Kentlands, MD

Stratford at Reston Town Center, Reston, VA

Portner's Landing, Alexandria, VA

Shalom Baranes Associates, Washington, DC

Designer for a range of project types consisting of governmental facilities, community planning, and multi-family housing.

Architectural Design Group, Alexandria, Virginia

Project Architect responsible for all aspects of a range of architectural projects including custom residential, single family and multi-family production housing, community planning, recreational and community facilities, retail and office facilities.
